LIVELY DAYS AT LATONIA

Bustle and Hustle the Order in Getting Ready for Racing.

Two-Year-Old Fillies Work Fast for the Clipsetta Stakes— Many Horses Arrive.

LATONIA, Ky., June 2.—Activity prevailed at the Latonia race track from daylight until dark today, more horses arriving from various points, while a couple of hundred were out for exercise gallops. Intense heat had no effect upon the horsemen and they were busy at all times. The track was at its best and a number of fast trials were turned in. Most of those were by two-year-old fillies working for the $5,000 added Clipsetta Stakes, to be run on Saturday.

Another twenty-car freight special came from Louisville this morning and among the stables on it were: F. J. Kelley, seven; W. L. Lewis, five; Nugent Bros., nine; John C. Ferris, sixteen; A. Baker, fifteen; Kinney Pitt, three; B. J. Brannon, thirteen; Mrs. H. Dattner, six; A. Luzader, two; T. C. McDowell, nineteen; Roy Williams, three; R. J. Gilmore, two; James Everman, twelve; Walter Grater, one; Tom Devereaux, three.

Soon after the arrival of this special the main division of the E. R. Bradley stable, including the Kentucky Derby winner and Black Servant, came in by express from the Falls City.

The Montfort Jones, J. N. Camden and one carload of Will Perkins' horses also came via express during the day.

E. L. Fitzgerald's stable, which has been at Latonia since soon after the close of the Havana meeting, is made up nine horses. They are Sirocco, Different Eyes, Indian Chant, Homam, Peasant, Nepe and three two-year-olds—Pacifier, Brother John and Ruralist.

Former jockey John Morris, who has been first assistant to trainer J. C. Milam for years, was taken from Louisville to Lexington, where he underwent an operation for appendicitis. His condition is said to be favorable.

P. G. King and Chinnie Walsh, two horses raced in the East for E. E. Mooar, were brought here by J. Mooney, assistant trainer of the E. B. McLean stable.

Roscoe Goose disposed of the two-year-old Carrie Baker by private sale before leaving Churchill Downs.

A. F. Dayton changed his plans and, instead of shipping to Latonia from Louisville, sent his horses to New York. He has eight in his barn. The veteran jockey, Chris Miller, went east with the Dayton horses.

Walter Parmer, Tennessee breeder, and extensively identified with the Windsor, Ont., race track, was an arrival today.

FAST SPRINTERS IN COVINGTON HANDICAP

Entries to the Covington Handicap, to be run Saturday, closed today. Sixteen of the best sprinters in the West were named for it. This race will be at three-quarters, and will be for a purse of $1,800. Weights and declarations are due tomorrow morning.

Trainer Will Perkins has taken over the erratic Sam McMeekin, which was recently barred from starting on the Kentucky track by the stewards. While under Perkins' care before this horse showed vast improvements in his post habits and he is hopeful of curbing him again. In the meanwhile he will still be under the ban.

Starter A. B. Dade's schooling list, which was in effect at Louisville on the final day of the Churchill Downs meeting, continues here. It has thirteen horses on it, a wonderfully small number, considering the large amount of thoroughbred racing in these parts.

Washington, H. H. Hewitt's candidate for the $5,000 added Harold Stakes, and which has not raced as yet, showed a sparkling performance this morning when he worked five-eighths of a mile in 1:00⅘. He is a son of Ballot—Hazzaza, and stablemate of the good filly Startle, a stake winner at Lexington. Incidentally, she demonstrated today that she has all of her speed when she went five-eighths of a mile in 1:00⅘ also. Omnipotent, from the Williams Bros.' stable, was another to work this distance in the same time this morning. From the way the two-year-old fillies are working in preparation for the Clipsetta Stakes it is likely that an unusually large field will go to the post.

Members of the racing fraternity came in from all directions today and tonight. Many of them went to their homes from Louisville to rest for a few days. Their presence is plainly noticeable now in the hotel lobbies in Cincinnati and most of the hotels report a larger reservation list than ever before.

Jockey Lyke came over from Louisville. He will be unable to ride for the first four days of the meeting because of a suspension, but will keep himself in condition by galloping horses in the mornings.

Jockey Newton Barrett's injured ankle is mending rapidly, but he still has to walk with a cane. He expects to resume riding Saturday.

Requests for the stake dates from eastern owners and trainers are numerous and indications point to quite a few of the turfmen from that section sending horses here after the rich stake races.

James Rowe of the Harry Payne Whitney stable has nine stalls reserved at Latonia, but he has not announced his plans as to the date of his shipping any of his charges West. He said at Louisville that he positively will have one or more representatives in the Latonia Derby on June 11.

VALUABLE FRENCH STAKE DECIDED

The Poule d'Essai des Pouliches, a race at one mile for three-year-old fillies, was run on the Bois de Boulogne course, Paris, May 15, and was won by Baron Edouard de Rothschild's chestnut filly Nephthys, by Saas Souci II.—Nectarine, by Zinfandel. Marcel Boussac's Samic was second and A. K. Macomber's Hurry Up II., by Phoenix—Up Rising, third. Each carried 128 pounds. The net value to winner was $18,390, second $4,000, third $2,000. Matthew McGee rode the winner and Frank O'Neill rode Mr. Macomber's representative.

ENGLAND'S GRAND FILLY RACE

EPSOM OAKS OLDER THAN THE DERBY AND TO HAVE ITS ONE HUNDRED AND FORTY-SECOND RUNNING THIS DAY OVER THE DERBY COURSE

The Epsom Oaks, for three-year-old fillies, antedates the Derby by one year as a fixture in racing history. It was first run in 1779 and was won by Lord Derby's Bridget. He won it again in 1794 with Hermione, but it was not until more than a century had passed by that another Lord Derby won the Oaks with his good filly Canterbury Pilgrim. The winner of 1801 was the great Eleanor, which was the first filly to win the Derby also. This notable achievement was not duplicated until the immortal Queen Mary's wonderful daughter Blink Bonny did it in 1857. Since then this difficult feat has been placed to the credit of Signorinetta in 1908 and of Fifinella in 1916. The Oaks is the companion race of the Derby and is contested over the same track and at the same distance and weights. For many years past the Derby has been contested on Wednesdays and the Oaks on Fridays, the custom holding good this year. One of the reminiscences of the race is that Foxhall Keene took the American filly Cap and Bells over to England for the especial purpose of winning the Oaks of 1901 and did it without a particle of trouble. It was a lucky year for the venture, because the next year was that of the remarkable filly Sceptre, which, if foaled a year earlier, would probably have taken Cap and Bells into camp as easily as the latter did Sabrinetta. However, the fact remains that Cap and Bells did win England's greatest filly race and stands on record as its only American-bred winner.

The record of the fourth of England's classics since 1850 is here presented:

EDDIE RICKENBACHER WINS MAIN RACE

TORONTO, Ont., June 2.—J. R. Skinker's Eddie Rickenbacher led all the way in the handicap, the fifth and feature race at Thorncliffe Park today, in which he beat some shifty sprinters. Near the end he was ridden out to withstand the rush of Jean Corey, which closed with a brilliant burst of speed in the final eighth.

Ideal weather conditions prevailed and the attendance was again large. For the first time during the meeting the track was fast.

J. Heffering provided the winner of the second race for Canadian-bred horses when Mallowmot lasted long enough to beat Bengali after a hard drive.

Oo La La and Wabuska graduated from the maiden ranks today. Both were under hard drives, however, to win by narrow margins. Three favorites were successful during the afternoon.

ENTRIES FOR THE CANADIAN DERBY

BUFFALO, N. Y., June 2.—Following is a list of nominations for the Canadian Derby of $7,500 added at one mile and a quarter for three-year-olds foaled in Canada, to be run at Fort Erie:

D. A. Boyle, Canadian; M. Brenner, Royal Visitor, Chief Sponsor, Heath Bell; Brookdale Stable, Herendesy, Resarf, Nomis, War Canoe, Reconnaissance; Kenton Stable, Dellahm; Kirkfield Stable, Sir William; Mrs. L. A. Livingston, Moll Cutpurse, Kicksy Wicksy; J. K. L. Ross, Ajom; Seagram Stable, Gallou-Berry, Myrtle Crown; L. Simon, Francis Britain; Thorncliffe Stable, Witch Flower, Beljoy, South Shore, Fuse.

CURRENT NOTES OF THE TURF

Eight horses belonging to J. P. Phillips were shipped from Maryland to Latonia.

Jockey S. Boyle has arrived from Belmont Park and will ride for S. M. Henderson for the remainder of the meeting.

Chris. Huiswoud has taken over the engagement book of jockey Henry King for the coming meeting at Latonia.

The apprentice rider E. Josiah has gone to Latonia to join the stable of E. B. McLean, his new contract employer.

Frank J. Bryan has received a letter from abroad announcing the intention of A. J. Davis to ride in the Grand Steeplechase de Paris at Auteuil on June 19. Mr. Davis rode with success in gentlemen's races in this, his native land.

Coyne, Harned Brothers' three-year-old Dick Finnell colt, which raced in good fashion at Churchill Downs, is on the ailing list and will be an absentee from Latonia racing. It is said that he bowed a tendon in his last race, in which he beat Black Servant.

Honey Cell, the three-year-old Celt—Honey Bee filly which has been racing in the colors of the Foreign Stable, will be retired to A. B. Hancock's breeding farm in Kentucky. The filly has bad knees and will not run kindly, although she works exceptionally fast.

The finishing touches are being put on the improvements at Latonia and, after undergoing the cleaning up process, the historic old plant will present a pretty appearance. The track proper has come in for the most favorable comment, as it has an excellent cushion on it, but nevertheless is extremely fast.

WITHERS TO LEONARDO II.

Xalapa Farm Colt Runs Away from Grey Lag and Other Fast Racers.

Sande Blamed for Old Stromboli's Defeat by the Long Shot Devildog.

BELMONT, N. Y., June 2.—Grey Lag was beaten in the Withers Stakes at Belmont today by that fine western colt, Leonardo II. Sporting Blood also beat the Hildreth chestnut, which finished third, not driven to a finishing limit when Sande found that he could not catch the flying leader.

The victory of Leonardo II. was clean cut. He is a fast horse and perhaps a mile suits him best. Though beaten in the Kentucky Derby—seventh—and in the Preakness Stakes—fourth—Leonardo II. has extreme speed, is as quick as a hare in getting away and simply led the Withers field a merry mile to win as he chose. He was away first and never pressed, though he ran the quarter in 23 seconds, the half in 46 seconds and the three-quarters in 1:10⅘. These parts of the race were as fast as those of the three-quarters of Audacious in Wednesday's American record mile. Leonardo II.'s full journey, though, was in 1:37⅘, with a rather leisurely last quarter in 27½ seconds. Schuttinger rode Leonardo II. beautifully and hurriedly early, as if he knew his goods.

Grey Lag was outrun always, but did not have a fair chance. Montalvo hampered him in the rear run and on the turn Exodus leaned all over and impeded him. Knobbie ran a poor race. The stakes were worth $5,475 to the winner. Grey Lag was always the public choice, even dollar for dollar. Leonardo II. was backed from 4 to 1 to 3½ to 1 and the Sporting Blood folks won well on their colt in speculation over second and third pace.

The Belmont going was again fast and smooth. A cool north wind blew across the horses and might have had an effect through the finishing straight ground. A crowd of 7,500 or so saw the good sport of the afternoon and rose to wild applause over Leonardo II.'s win. It rather resented in dull and silent surprise old Stromboli's defeat in the second race, a mile and a sixteenth affair, for the better class of selling platers. Sande was responsible for his being tipped over. Capable rider as he, he took it too easy with Stromboli when he had a winning lead and was striding comfortably in front. He could have been lengths further away. Sande's comfort was disturbed below the sixteenth post, where Devildog, far less than a good horse, from Jim Fitzsimmons' miscellaneous collection and at 30 to 1 in financial circles, and Goaler came driving along. The elderly warrior was just "muffed."

CUM SAH, "GOOD THING," WINS.

The New Jersey experts landed a good thing in the opening race, a handicap for horses of assorted ages at six and a half furlongs on the main course. The "good thing" was the rejuvenated Cum Sah. He was backed here and elsewhere from 15 to 1 to 8 to 1 and off well, won all the way from the even money favorite, Neddam, which loitered in the ruck to the stretch and then came with a rush under Clarence Kummer to be beaten half a length. The honest Diomedes, in new colors, was third, a half length more away. He ran another good race and is a good, honest horse. The southern wonder, St. Isidore, ran as if out for an airing merely. Whisk left his speed in the barn. The Boy and Carnarvon, backed as they were, was one of the afternoon's puzzles. Camoufleur ran as if simply out to get acquainted with the surroundings for future use.

When Sande sensed his danger he began to drive the lingering Stromboli and dealt his whip full on the old fellow's flank. This surprised more than it helped Stromboli and persistent master Mooney got Devildog up to win in the last stride by a nose of fair horse length. Stromboli beat Goaler 25 to 1, a neck. Had Obert, on the latter, been as alert as Mooney on Devildog, Goaler would have won. He was the better of the two at the end. Stromboli walked back without a limp and his defeat was a mere mishap.

Frank Bryan, A. N. Higginson and H. S. Page, representing the National Steeplechase and Hunt Association, met yesterday to inquire into the Fair Mac, Reddest, Ormead race of the day before. No decision has been reached as to what punishment may be meted out to the riders involved, but N. Brooks, who had the mount on Ormead, has been suspended pending developments of the investigation.

Major Stanley M. Koch, chairman of the contest and entertainment committee of the Federal Remount Service, visited Belmont Park in search of material for the Endurance Race that will be decided between October 10 and 14. It will be run from Wrightstown, N. J., to Washington, D. C. Fifteen animals are in training at Arlington, Va. All are thoroughbreds of the cavalry remount type and Major Koch is enthusiastic over the chances of a pureblood winning the race this year.

Sam Lazarus, Jr., a power on the western turf twenty years ago, was among the day's visitors.

Sam Hildreth protected Lord Brighton at a cost of $7,105 after Sam Louis and J. A. Coburn had run him up from an entered price of $4,000, following his win in the second race.

The Rancocas Stable then claimed Tom McTaggart from B. Williams for $4,715. Goaler was claimed out of the third race by L. S. Lando for $4,700.

N. L. Snelson, trainer for the Florida Stable, will, on Friday, ship some of the horses in his charge to Montreal to campaign on the Canadian circuit. The remainder of the stable will be turned over to J. Dunn to race on New York tracks.

Runatrix, the three-year-old daughter of Runnymede—Salvatrix, by Salvation, from the A. B. Spreckels string, will be shipped back to the farm to be bred. She is a half sister to Madge F. and a sister to Runstar, the good looking and highly rated two-year-old in the same barn. Salvatrix ran well in sprint races in the Northwest about 1906 under the name of Entre Nous.

ANSWERS TO QUERIES

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query. Betting papers will not be calculated.

R. G. McG., Joliet, Ill. Liberator ran and finished fourth. Sabretash was scratched.

Geo. W., Beloit, Wis. Murray was not riding May 31. Coltiletti lost on all of his mounts.

C. P. G., Chicago, Ill. Hereafter was 205 to 100 to show in the first race at Louisville May 24.

G. G., Bowling Green, Ky. Layers away from the track do not pay on field horses unless they run to the places for which they were backed.

Mc. C., Chicago, Ill. Tattle and C. S. Grason belong to the Greentree Stable. C. S. Grason had belonged to W. S. Murray and no notice of his sale had been made public.

A. E. R., Indianapolis, Ind. In the race won by Golden Chance at Mount Royal May 24 the horses went to post at 4:25. At post 1 minute. Time of the race, 1:14⅗.

A. E., St. Louis, Mo. Nothing is "deducted" in bookmaking, but the odds give the layer a percentage that is variable. In the mutuels 5 per cent is deducted in Kentucky. In Maryland this is nominally the same, but they take more. In Canada the deduction varies. The more money they take in the lesser the percentage. It is regulated by the government and with total amount bet not given out there is no telling exactly what the percentage is.

MYSTERY OVER ALLEGED RINGERS

TORONTO, Ont., June 2.—There were new developments in the Golden Glow attempted ringing case. It has been found that Golden Glow and the original Moonlighter were both at New Orleans in the hands of the people who have Golden Glow here. The original Moonlighter has disappeared. Both Ogden Girl and a brown filly were also at New Orleans, but were not raced there. The horses were at Latonia and then at Chagrin Falls, Ohio.

The brown filly in the stable was shipped to Thorncliffe, but was never registered with that association. She worked fast on Saturday and was shipped Saturday night to Montreal consigned to a man named Simpson and billed out as Colorado Belle. A wire to W. H. Rowe, the registrar at New York, developed that there is no such filly registered. The filly is probably Land's End or Beck and Call.

The customs men at Montreal have been notified and a wire with all information has been sent to Francis Nelson at Dorval Park by the stewards here.

COMPLICATIONS OVER DUETTISTE

NEW YORK, N. Y., June 2.—J. E. Widener may be subjected to the disappointment of not seeing his colors carried in the Grand Steeplechase de Paris by his good fencer Duettiste. Such is the information that leaked out in the Belmont Park paddock today. Complications over export papers for the shipment of the son of Ethelbert to France by way of England are held responsible. Mr. Widener, however, has not given up hope of Duettiste being brought to the post for the famous French classic on June 19 and will sail for France on Saturday. Duettiste is at present in France in care of H. Escott. Duettiste was bred in France by August Belmont and brought to this country as a three-year-old in 1915. Decision to send him abroad for a campaign was made last fall following his victory in the Manley Memorial.

CORRECTION IN DORVAL PARK CHART

SIRES OF OUR JUVENILE WINNERS

SWEEP AND ZEUS TIED FOR SUPREMACY, EACH HAVING SEVEN TO HIS CREDIT --- DEAD CELT'S PROGENY WINS MOST MONEY

In the important item of sending the most winning two-year-olds into our racing for the first five months of 1921 the stallions Sweep and Zeus are tied, each with seven to his credit. The Sweep youngsters have won a trifle more money than the sons and daughters of Zeus, but when monetary returns are taken into consideration both have to give way to the dead sire Celt. He has only three winners, but two of them, Column and Lord Baltimore, are among the best of the year and by their victories have kept alive the fame of their daddy. Altogether the three Celts have won $25,463, nearly double the sum won collectively by the two-year-olds of any other sire. Stallions with six winning two-year-olds to their credit are Atheling II., Brummel, Jack Atkin and Von Tromp, while those having five are Dick Finnell and Peter Quince. Then follow Granite, Luke McLuke and Wrack with four each, and so on down, the following tabulation showing all the winning two-year-olds from January 1 to and including the racing of May 31, arranged under their sires and giving the names of their dams, races and money won:

FAVORITES' DAY AT DORVAL

Zouave Takes St. Lawrence Purse—Improved Weather Brings Out Big Crowd.

MONTREAL, Que., June 2.—Zouave, under a hustling ride by Gruneisen, accounted for the fifth race, described as the St. Lawrence Purse, which was offered as the feature race today at Dorval The winner was sent to the front at the start and held Helen Atkin safe in the final drive. Madge F. closed with a rush and took the small end of the purse.

Improved weather conditions prevailed and a crowd of large proportions was on hand to witness the running of the card. Favorites were returned winners in a majority of the races and the sport was of a spirited order. With the exception of the main race a poor grade of horses participated in the different contests.

The second race, which was framed for maidens and maiden riders, marked the first victory for Miller Henderson on the Canadian circuit this year when Doctor Jim was returned an easy winner. He was ridden by jockey L. Veitch, a son of Silas Veitch, the well-known trainer.

Jockey T. Rowan arrived from New York this morning. He was granted a temporary license and will ride for Carey Winfrey.

Louis Letourneau has ordered taken up the three-year-old Fornova, which will be put into training. This colt was wintered on a farm near this city.

Trainer D. Kearney will return to New York following the close of the Blue Bonnets meeting. Mr. Kearney will turn over the Canadian-bred Salvatelle to Allan Bulcroft to campaign over the Canadian tracks.

James Johnston this morning at private sale disposed of the two-year-olds Justina E. and Lucky Lass to M. Summers.

I. B. Bradfield arrived this morning at Blue Bonnets from Louisville, Ky., with two horses.

R. Stiever has taken over the engagement book of jockey H. Garner.

C. Penniston, who engages in breeding on a limited scale near this city, announces the arrival of a colt by Sky Pilot, dam Muriel. The dam has been bred to Eustis.

Among other improvements at Blue Bonnets following the spring meeting will be the narrowing of the homestretch by twenty-five feet, which will be added to the lawn. The track at present is 110 feet wide.

The entry of the horse Semper Stalwart has been held up until the present controversy has been settled as to definite ownership.

Steward Francis Nelson notified the officials of the Thorncliffe meeting before leaving Toronto to use extreme caution in identifying horses, as it was reported that a stable of alleged ringers had arrived in Toronto from the West. On inquiry here it was learned from customs authorities that no horses had arrived here from Toronto but those identified and no entry has been made for one named Colorado, believed to have been shipped here.

It was officially announced that the Suburban Handicap would be run to finish at the regular stand and not opposite the club house as formerly. This will give trainers a chance to work their horses for the race over the ground. The start will be at the upper turn and it ought to be a truly run race, as not a single horse has swerved at the turn into the new stretch since the opening of the present meeting. The big turn is so well graded and of such a large radius that even the largest fields will come around the bend in safety.

Everybody is predicting a great race for the Suburban this year and with all of the best horses taking their preparation in a satisfactory manner there ought to be a big and representative field of starters for this fine old race, which has been productive of so many fine contests.

PECULIAR LOUISIANA LAW

New Orleans Average Opinion Is Against Anti-Publicity Measure.

NEW ORLEANS, La., June 2.—With two New Orleans newspapers against and the other approving the action of the constitutional convention last week in adopting an amendment making it a violation of the law to print, disseminate or circulate information on horses entered in races, a stiff fight is in prospect when the legislature of the state convenes in special session shortly after the convention ends.

In an editorial the Daily States believes that this sort of legislation would prevent the local papers from printing and circulating race horse information, but asks "What can prevent outside publications from coming into the state? Only an act of the federal government could do this, and there is nothing to indicate that the federal government will be perturbed by this sort of legislation because one of its many states so deems. The act, it appears, was framed to aid some personal interest."

The Times-Picayune also is opposed strongly to the law as it now is framed. "It is ill-judged," says the Times, "and if enforced to the letter would destroy racing altogether. This, it appears, was not the intention of its proposer, and for that reason it does not accomplish its purpose."

The Item, on the other hand, believes that "the law is a good one, and that it will not affect the status of racing at the local tracks."

It is almost certain that pressure will be brought to bear from all sources when the legislature is in session, and persons opposed to the amendment are optimistic in their views of the outcome.

BELMONT STAKES ELIGIBLES

Choicest of the Three-Year-Olds of America Will Battle in Popular Event.

One of the most attractive of the many valuable stakes arranged for the present meeting at Belmont Park is the Belmont, which will be decided June 11. This is a race for three-year-old fillies and entire colts, and this year will have a guaranteed value of $10,000.

Originally there were 133 nominations, two of which were voided through the death of the nominator, and ninety-three were declared at $50 each, leaving thirty-eight available to run in the feature.

With probable starters of the caliber of Grey Lag, Leonardo II., Bon Homme, Exodus, Star Voter, Billy McLaughlin and Sporting Blood, a great contest is assured, and the winner will have to beat the best of the three-year-olds now racing on the American turf.

Here are the eligibles, with their breeding and owners:

The Belmont, for fillies and entire horses; for three-year-olds; by subscription of $50 each, not declared by January 1, 1921. Starters to pay $150 additional. Guaranteed cash value $10,000, of which $1,500 to the second and $750 to the third. Mr. August Belmont will add plate of the value of $250, which will be awarded the winner. Colts to carry 126 pounds; fillies, 121 pounds. One mile and three furlongs.

The appended history of the Belmont Stakes, which covers a period of fifty-four years, running from 1867, when Ruthless was its first winner, down to 1920, when Man o' War made a new record of 2:14⅕ for the distance, contains among its winners the names of many horses which have founded great American families. Hanover, Henry of Navarre, Hastings, Commando, Peter Pan, Colin, Luke McLuke, The Finn and Friar Rock are among the winners and Sir Barton and Man o' War may possibly be the founders of equally important families:

SILVERN'S RACING PROWESS

Considered One of the Best Horses in England —Wins Burwell Plate.

LONDON, England, May 20.—Some of the races at the Newmarket Second Spring Meeting, apart from the Newmarket Stakes, will no doubt have interest for American breeders.

Sir Edward Hulton's Silvern enhanced his reputation by beating a good field in the Burwell Plate, run over one and a half miles. He carried 138 pounds and won hard held by three-quarters of a length. He ran most smoothly and was never touched at any part of the race, beating among others Kentish Cob and Bracket. Silvern is now one of the grandest horses in England, and there will be no difficulty in filling his list at a high fee when he retires to the stud. Mr. Hulton, who owns and bred him, is a newspaper man of Manchester.

Highlander, which is by Volta—Scala, was made a hot favorite for the three-year-old one-mile handicap worth $3,020. He carried 119 pounds and was giving weight to twenty-five of the other twenty-seven runners. After going half way he shot to the front and won easily by three-quarters of a length. Volta is quickly coming to the front as a sire of speedy winners. By the way, Mr. A. R. Hancock's Embassy, which is a granddaughter of Sceptre, has been mated with Volta this season. Scala is a Spearmint mare for whom Sir Ernest Cassel paid $12,000 at the December sales in 1919. Highlander had been sold a few months previously for $4,100.

Hill County, belonging to Sir Robert Jardine, was regarded as a likely Derby colt. His performance in the Payne Stakes shows that he has no hope whatever in the remaining classic races. He was soundly beaten six lengths by Danby. There was not a big tip for the winner at Newmarket, but some people in London seemed to know all about him and had a good win, for he started at 10 to 1. Last year he was rather unlucky behind Blue Lady and Tetrabbazia, but some people seemed to have forgotten the circumstances. Danby was bred by his owner, Mr. Hornung, and is a chestnut colt by Stedfast—Sucrose, which is the dam of three winners, and is practically half sister to M. S., the grand dam of Pharmacie. The Payne Stakes is one and a half miles. Danby's future will be watched with interest.

Another three-year-old winner in the same stable, said to be as good as Danby, if not better, is Nippon, which, however, prefers soft going. He is by Santoi—Fortuna, by Spearmint, and is a member of the family which has given us Comrade and Orpheus. He has not yet started, so his debut will be regarded with unusual interest.

A good looking colt which won as he liked is Vencedor, winner of the five-eighths Abingdon Plate. It was expected that Diadem would compete. She, however, declined. In her absence Vencedor won as he pleased. In the early part of the race he seemed to be unsettled, but as soon as the descent commenced he covered the ground at a rapid rate. Probably on a downhill course he will always be dangerous. He is a brown colt by Orby, and speed seems to be his characteristic. His owner, Sir William Nelson, bred him from the mare Fer, which comes of the same female line as Gallinule. Santry himself is also a son of Gallinule.
